Polled Shorthorn
INTERNATIONAL SALE
CHICAGO

DECEMBER 4, 1947

The Answer:
POLLED SHORTHORNS

INTERNATIONAL POLLED SHORTHORN SALE

Thursday, December 4, 1947

Union Stock Yards, Chicago, Illinois

An Unexcelled Buying Opportunity

We can use all the superlatives in the dictionary about the Polled Shorthorns offered at this year's International sale, but it will take seeing to believe the truly remarkable consignment that has been made available this year to buyers at auction prices. The consignors are the "who's who" of the breed, and each has made it a point of personal pride to "give until it hurts" of the cream of his year's offering.

Polled Shorthorns have more to offer cattlemen than any of the other naturally hornless breeds—all the advantages of greater weight for age, increased milk capacity, early maturity and grading up ability of the Shorthorn, plus the greater efficiency per animal unit when dehorning is unnecessary. The breed's tremendous response to all demands made upon it is increasing its popularity faster than American breeders can supply. This sale is a rare opportunity to get the pick of the nation's pace-setting herds. Listed in these pages is some of the most sought after blood of the breed coupled with the kind of individuality that brings quick checkbook acceptance. Many that are listed have already established enviable status at this season's fairs right on up into championship brackets.

Demand for Polled Shorthorns is constantly increasing not only in America, but also in practically every cattle country in the world. Breeders are only confronted with producing enough good ones to meet the demand. We invite you to help us supply that demand. Here are the kind to point the way to the attractive future ahead for Polled Shorthorns. We invite you to buy with confidence. If you cannot attend, your bids by mail, wire or telephone will be carefully handled AT NO COMMISSION COST.

Information for the Buyer

FREE FREIGHT OFFER—The American Polled Shorthorn Society will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this Sale to one destination, up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more from Chicago, Illinois. Why not contact some breeders in your locality in an effort to consolidate one shipment?

MAIL BIDS—We want you to come to the sale if you can possibly do so. If you cannot come you may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be glad to handle buying orders for you. Contact these men at the addresses listed, or in care of this Association at 7 Dexter Park Avenue, Chicago 9, Illinois, or telephone Yards 0363.

AUCTIONEERS:

J. E. Halsey, Des Moines, Iowa

Hamilton James, Newton, Illinois

TERMS—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before sale time, and the sale manager and clerk are notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

INSURANCE—Coverage can be secured effective at the time of sale.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association. Health certificates will be provided with each lot sold.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

The super-efficiency of the POLLED SHORTHORN appeals to the breeder who likes to realize the utmost profit from operations.

Men who have been the most pronounced in their success in the business and industrial world are more than ever attracted to the economy of Polled Shorthorns. They are prepared to answer the call of the thousands of cattlemen the world over who demand an efficient herd of beef cattle with that 100 to 150 lbs. of extra weight for age with the added economic significance of the polled feature. Polled Shorthorns give you that perfect balance of meat and milk—enough milk for market topping calves and good modern type blocky prime beef at maturity. Cows with extra milking ability are available for the farmer who wants them to provide his family with milk and cream meanwhile raising a real prize winning beef calf. Polled Shorthorn prices are within your reach and there is good demand for all you can produce. BUY THE BEST AT CHICAGO.

Put your check book in your pocket "just in case," and bring another interested breeder with you. The money you spend on a top Polled Shorthorn bull and some good females will be returned many times over in the progeny they will present you.

GLEN KNOLLS MASTERPIECE—the best of home breeding crossed with the best of imported breeding gave us this rugged, good headed two-year-old that won his class at West Virginia and was second at Illinois and Indiana State Fairs. His calves will show a lot of weight for age.

ALPINE EMBLEM—a dark red, very rugged bull with plenty of bone and two good ends. He was undefeated two-year-old bull wherever shown this year and was champion at Illinois and reserve champion at Iowa and South Dakota State Fairs. If you need a bull with plenty of polled breeding, check this pedigree and you will find some of the best polled bulls in the breed.

Lot 2—Bull

GLEN KNOLLS MONARCH 2D—a full brother to Glen Knolls Monarch, champion or reserve champion at several state fairs last year; winner of the senior yearling class at the 1946 International and the top selling bull of the 1946 International Sale at \$4,000. Glen Knolls Monarch 2d was reserve champion at Illinois and Indiana State Fairs and grand champion at the West Virginia State Fair in horned competition. He was also a member of the winning get-of-sire at Indiana in 1946 and 1947. He comes from the best individual cow in our herd and he and his full brother have been more nearly alike than any two animals we have ever produced. He should fill the needs of a man looking for a dark colored bull that is backed by polled breeding of the right kind.

Lot 3—Bull

A. G. Schubert

GLEN KNOLLS MONARCH 2d x2352921

GLENWOOD TRAILBLAZER—here is a bull that is all red, short coupled, deep and with plenty of weight for age—with breeding that should insure him to be a 100% dehorner. He has been used liberally in our herd in the past year and a few of his calves have arrived. They are all red or dark roan and they look great. His sire, Lynnwood Mayor, is one of the chief stock bulls at Lynnwood Farm at present. His dam, Lancaster Maid 27th, produced 12 good calves for us, including a top bull at an Indiana State Sale. A son, Glenwood Tribute, has done quite well in the Harry Canaday herd in Maryland. Let him blaze new trails for you—they will be straight and smooth.

Lot 4—Bull

R. H. Ranck

CEREMONIOUS MASTERPIECE—A thick, low-set grandson of Lee Dale Collynie. He is a solid red and out of one of our best young cows that was a consistent winner when shown. He was the 2d prize bull in the Junior Yearling class at the Illinois State Fair. He should make a great breeding bull.

A \$4,000 Bull

The proof of a successful sale is in buyer demand. Last year's International sale set a new record for Polled Shorthorn consignments. The high selling bull was Glen Knolls Monarch x2292493, a 1944 roan son of Collynie Monarch x out of Miss Perfection. He had been reserve champion at the Illinois and Ohio State Fairs and

grand champion at the Indiana State Fair during the 1946 show season. He was consigned by A. G. Schubert of Hamilton, Ohio, and sold at \$4,000 to Lynnwood Farms, Carmel, Ind.

There is nothing like a good bull to start you in the cattle business in earnest, and those offered in this sale are the most outstanding it has ever been our privilege to present in our national auctions. There is a bull in this sale to suit every type of buyer. They will not be bought at any price after their calves begin to come. This is your chance to get them now.

Lot 8—Bull

Falcon & Scott

COMMANDER TYPE 2D x2391101

MAXWALTON MADE-TO-MEASURE—is a combination of bulk, thickness, color and general goodness that would be hard to equal. He is a brother to the heifer that topped the sale last year at \$2,025.00, and to Mr. Alexander's great bull, Maxwalton Heap Much; also from the same dam as Maxwalton Walkaway that Mr. Boyle sold for \$2,000.00 after using him four years.

GLEN KNOLLS MANDATE—another outstanding son of Glen Knolls Rufus—a dark roan whose dam is by imported Millhills Rufus. This breeding assures Mandate's new owner of a breeding bull.

ALAUNA VICTOR—is the counterpart in type, low-set-ness, thickness and depth to his three quarter brother, Alauna Collynie, the \$2,500.00 grand champion at the 1946 National Congress. They both are sired by Alauna Lord Collynie x—a double grandson of the great improver, King Collynie Jr., and from daughters of Bridgebank Jubilee. If you need a winning senior yearling in your 1948 show herd or a bull for the correct type Polled Shorthorn here is a calf for serious consideration. A full brother, Alauna Broadway, was grand champion at the 1946 Iowa State Sale and topped the sale.

Polled Shorthorn Auction Average up 23%

Here is the evidence of the steady growth of Polled Shorthorn popularity in the last six years. Transfers for pure-bred Polled Shorthorns in 1946 showed an increase of 158 percent over 1940; registrations of calves showed an increase of 103 percent over 1940, and memberships were 200 percent ahead of 1940. Although complete figures for the full 1946-47 fiscal year are not ready as we go to press, for the first 11 months, buyers at auction this year expressed their approval of Polled Shorthorns by paying 23 percent more on the total average of all auction sales than for the

same period a year ago.

Polled Shorthorns offer an unequaled opportunity for profitable investment as well as an avenue to the utmost satisfaction in personal contacts. **BUY AT CHICAGO.**

Bangs vaccinated.

This is the Breed That Has Everything

As taxes increase and living costs stay high, the greatest returns per cattle unit will come from the quick fattening, good milking, earlier maturing hornless Shorthorn. The degree to which the production of beef has risen in efficiency makes the utility advantages of the Polled Shorthorn especially desirable to the American producer of prime beef. Polled Shorthorns are pound makers with abundant natural flesh, well-balanced, with wide, short bodies, straight legs, strong backs and good heads. They have the ideal easy feeding disposition of the Shorthorn, and because of their

natural hornlessness, are able to make the most efficient use of shed and pasture space meanwhile putting on the greatest weight for the same amount of feed of any beef breed.

Bulls like this one sire the kind of calves that are a feeder's delight, combining breeding and feeding capacity with easy finishing qualities that make for the highest yield from feedlot or range. The polled factor is so dominant that bulls used on horned cows produce offspring that are usually 90 per cent hornless.

LANCASTER MAID 40TH—a granddaughter of King Collynie Jr. and Collynie Stardale. Sells open.

A \$2,500 Female

Investing in a good workable herd of Polled Shorthorns has brought security, success, prestige, and contentment to those who have made it their main source of livelihood.

Here is the top selling female of the 1946 International Polled Shorthorn sale at Chicago. She was C. H. Royal Nonpareil x2356648, a 1946 red daughter of Edellyn Royal Leader 2d, out of Forest Glen Nonpareil 10th x. She was consigned by H. L. Straus of Reisterstown, Md., and sold for \$2,500 to Lynnwood Farms, Carmel, Ind.

Upon the cow herd depends the speed with which returns are gained on cattle investment. Polled Shorthorn cows go on working for their owners every minute of their lives, in the meantime turning otherwise wasted roughage into a thrifty bank balance and converting land into more fertile acres. There are many top females consigned to the 1947 International sale. You can buy with confidence.

MISTY MERCURY BELLE—a very smooth, even roan heifer that has been in our show herd. She was the reserve champion female in the strong show at the Ohio State Fair—and stood well up in class at all the shows where we exhibited. She is a half sister to our top selling female in the Congress Sale at Lexington. Her good breeding and strong character combined with her type, are excellent indications that she will develop into a very valuable brood cow.

AUGUSTA ALAUNA 4TH—another very good type, red daughter of Alauna Lord Collynie x. Look at the breeding on the dam's side. Alauna Augusta 2d is sired by the 1945 National Congress champion, Daybreak's Creed; and she is also from the same dam, Augusta 24th, as the 1946 Congress champion, Alauna Collynie that sold for \$2,500. Real championship breeding here. Tested clean for Bangs and calfhood vaccinated. Sells open.

Foundations for Security

No section of the United States is over-supplied with herds of good beef cattle, and wherever they are found as a major livelihood there prosperity moves along at an even level. Cattlemen can always count on an income where many other lines of business fall short. This has been especially true of Polled Shorthorn herds. They have weathered economic storms, are pleasant to work with, return maximum profits on your investment, and are the nation's No. 1 farm investment. Prize winning herds like this one are not built in a day, but you can come close to it by buying your foundation herd at this International sale because all the requisites are here. Breeders from all over the country buy their herd improvers at these national events year after year. WE INVITE YOU TO DO THE SAME. LEAD WITH THE LEADERS available at auction prices in Chicago, December 4.

Watch Your Polled Shorthorn Savings Grow

Raising Polled Shorthorns is a lifetime proposition. If for nothing more than the amount of money saved in recording and transferring a minimum number of purebred Polled Shorthorns, it pays to be a member of the American Shorthorn Breeders' Association with a Polled Shorthorn affiliation. It only takes five registrations and

five transfers at the minimum fees for prompt recording, to save you more than enough in one year to pay for the entire membership cost and four years in dues. In five years you save at least \$75. As your herd grows your saving is much greater, and figure out for yourself what you will save in a lifetime. A Class B LIFE MEMBERSHIP costs only \$10 with \$1.00 in dues each year.

The rise of every well-established breed of livestock has been accomplished only in direct ratio to the willingness of its members to cooperate for the advancement of markets everywhere. In addition to money saved each membership helps increase the popularity of Polled Shorthorns. Combined with many others it is put immediately to work finding new buyers.

We now have the greatest rate of gain of all beef breeds, let's keep those progress lines going up. JOIN TODAY. If you are already a member, present a new membership to each new buyer.

COLLINSBY CLIPPER 4TH—another Collinsby first—this is the first Ivy Clipper female we have ever offered for sale. Those who have seen the dam and granddam of this beautiful heifer say they are two of the really top females of the breed.

CHERRY HILL ROYAL JUNO—a very good junior calf by Edellyn Royal Leader 2d, sire of the reserve champion female at the 1946 International. She is a full sister to Cherry Hill Royal Apollo, reserve champion and top selling bull at the 1947 Congress—bought by Cannaday & Pearce, Monkton, Md. Comes from a Federally accredited herd for T. B. and Bangs and is Bangs vaccinated.

Lot 60—Cow

H. L. Straus
